LALIT DHANRAJ SOLANKE

Cloud & DevOps | AWS | Terraform | Linux | Web Development

Nashik, Maharashtra | +91 9257171177 | dslalit2589@gmail.com | linkedin.com/in/lalit-solanke-153298289

PROFESSIONAL SUMMARY

Cloud and DevOps-focused Computer Engineering student with hands-on AWS internship experience across compute, networking, storage, databases, serverless, security, monitoring and infrastructure automation. Experienced with Terraform, CI/CD workflows, Linux administration, CloudWatch, Prometheus and Zabbix. Built cloud, AI and web-based projects using Python, FastAPI, HTML, JavaScript, AWS serverless services and monitoring workflows. Seeking entry-level Cloud, DevOps, Infrastructure and cloud-focused development roles.

TECHNICAL SKILLS

Cloud & AWS: EC2, S3, IAM, VPC, EBS, Lambda, API Gateway, RDS, DynamoDB, CloudFront, ELB, Auto Scaling, CloudTrail, AWS Config, Systems Manager, Textract, Rekognition
DevOps & Infrastructure: Terraform, CI/CD workflows, Linux administration, Shell scripting, infrastructure provisioning, server deployment
Web Development & APIs: HTML, JavaScript, Python, FastAPI, browser-based application workflows, API integration
Monitoring & Observability: CloudWatch, Prometheus, Zabbix, CPU/memory/disk/network monitoring, operational metrics, alerts
Networking & Security: Public/private subnets, NAT Gateway, Internet Gateway, security groups, IAM roles/policies, least-privilege access
Databases: MySQL, PostgreSQL, Amazon RDS, DynamoDB

INTERNSHIP EXPERIENCE

AWS Intern - iStudio | *Remote | Jul 2026 - Present*
- Completed hands-on labs and service demonstrations across 15+ AWS services including EC2, IAM, S3, Lambda, RDS, DynamoDB, CloudTrail, AWS Config, Trusted Advisor, Systems Manager and Storage Gateway.
- Configured compute, storage, database, serverless and security resources and practiced IAM, auditing and cloud monitoring workflows.

AWS Cloud Intern - Arrow Technologies and Solutions | *Nashik | Jan 2026 - Feb 2026*
- Automated AWS infrastructure provisioning with Terraform using reusable module-based configurations and deployed multi-tier VPC networking with public/private subnets, NAT and restrictive security groups.
- Configured least-privilege IAM, worked with CI/CD workflows, monitored CloudWatch/Prometheus metrics and managed S3 lifecycle policies in a 5-member Cloud/DevOps team.

Cloud Virtual Internship - AICTE / EduSkills | *Virtual | Jul 2024 - Sep 2024*
- Deployed a high-availability 3-tier web architecture using ELB and Auto Scaling and worked with RDS Multi-AZ, VPC peering, Lambda, API Gateway, CloudFront and CloudWatch.

PROJECTS

AI Resume Screening System Using Cloud Computing | *Python, FastAPI, Sentence Transformers, AWS*
- Contributed to AI resume matching and AWS integration/testing with S3, Textract, Lambda, API Gateway, PostgreSQL RDS, IAM and CloudWatch for document processing, storage, access control and monitoring.

Serverless Face Recognition Attendance Web Application | *HTML, JavaScript, AWS Serverless*
- Built a browser-based attendance workflow using API Gateway, Lambda and Amazon Rekognition; stored images in S3 and attendance records in DynamoDB with duplicate daily-entry prevention.

Cloud Monitoring Dashboard | *First-year Web / Monitoring Project*
- Built a web-based monitoring dashboard to present server or application health information such as CPU, memory, uptime and alerts in a clear visual interface.
- Used the project to explore web development and infrastructure-monitoring concepts early in the degree.

Server Monitoring and Alerting | *Zabbix*
- Configured monitoring and alerts for CPU, memory, disk and network utilization to improve visibility into server and application health.

Cloud Deployment and Data Management | *Amazon EC2, S3, Auto Scaling*
- Hosted web applications on EC2 with S3 storage/backups and Auto Scaling to support deployment reliability and capacity handling.

EDUCATION

Bachelor of Engineering in Computer Engineering | 2023 - 2027 (Expected) | Savitribai Phule Pune University | Semester 6 SGPA: 8.00/10
Jawahar Education Society's Institute of Technology, Management and Research, Nashik
Class 12 (HSC), Science | Maharashtra State Board | 2023 • Class 10 (SSC) | Maharashtra State Board | 2021

CERTIFICATIONS & TRAINING

- Oracle Cloud Infrastructure 2025 Certified Foundations Associate - Oracle University | Oct 2025
- AWS Academy Graduate - AWS Academy Cloud Foundations | Aug 2024
- Postman API Fundamentals Student Expert | Sep 2024
- CompTIA Linux+ XK0-005: Certification Prep Lab & System Administration - Alison Course Diploma | Sep 2026

ADDITIONAL SKILLS

Infrastructure documentation | Communication through standups and configuration/code reviews | Independent infrastructure setup | Languages: English, Hindi, Marathi
